

SPORTS PROGRAMS @ LAWRENCE COUNTY YMCA COVID GUIDELINES

MASKS MUST BE WORN WHEN ENTERING AND REMAINING INSIDE THE FACILITIES.
Youth program participants may remove masks once inside or on the program surface.

ALL PERSONS ENTERING THE FACILITIES ARE REQUIRED TO HAVE A TEMPERATURE CHECK.

Those with temperatures at or above 100.4 F will be not be able to enter the facilities.

Program registration numbers may be limited due to YMCA's commitment to follow all CDC, State and local safety guidelines.

During competitive play, only teams playing will be in the facility. Upon completion of play, teams will exit the building prior to next teams entering.

YMCA may not be able to provide personal sporting equipment. We ask all participants to bring their own sports equipment such as but not limited to gloves, bats and any other appropriate equipment.

Programs for youth 6 years old and under are permitted to have 1 parent remain inside the Y Zone for the duration of the program. Parents must remain seated at a distance 6ft or more.

Parents of program participants over 6 years old are requested not to remain inside the building during programs.

Water fountains are for water bottle fill up **ONLY**.

YMCA coaches and instructors will amend instruction to keep participants separated as much as possible.

YMCA staff will be provided disinfectant to clean all used equipment at the end of each class.
